

**REMARKS**

Claims 5, 12, and 15-17 are currently pending in the present application, with Claims 1-4, 6, 8-11, 13, 14, and 18-21 being canceled.

The Examiner rejected Claims 1-4, 6, 8-11, 13, 14, and 18-21 under 35 U.S.C. § 103(a) as being unpatentable over Minagh (U.S. Patent No. 5,835,462) in view of Nakajo (U.S. Patent No. 5,502,702). This rejection is moot in view of the canceled claims.

In view of the above, Applicants respectfully submit that all of the pending claims are in condition for allowance as indicated by the Examiner. An early allowance is solicited.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 393032042200. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: November 3, 2004

Respectfully submitted,

By
